MR. OTTO H. SCHULTZ, ADMINISTRATOR

Webster's dictionary defines a "goal" as an end one strives to attain. Four years ago when you entered high school, each of you set graduation as a goal. On June 5th, it will be a realization.

You must now establish a new goal. Some of these will be short range and others long range. They may involve further education or the finding and holding of a job. Remember also that Webster indicates that goals must be attained through the application of effort. You may have an inherited talent or ability, but what you do with it is entirely up to you. Just as you alone can set the goal, so also you are the master of whether or not it can be achieved. Do not underestimate your abilities, but at the same time don't overrate yourself. Either can lead to failure.

Everyone here at Mishicot High School is "in your corner" ready to cheer you on. If we can ever help you in any way, let us know. Good luck.

# F. F. A. OFFICERS

Row 1—T. Grimm, D. Halada, R. Siehr.  
Row 2—S. Swetlik, L. Grimm, G. Schmooch, P. Tuma.

The Mishicot Chapter of the Future Farmers of America was organized in 1940. The present membership is now at 76.

The regular officers for the 1962-63 year are: President, Lyle Grimm; Vice-president, Stanley Swetlik; Secretary, Tom Grimm; Treasurer, Robert Siehr; Reporter, Peter Tuma; and Sentinel, Gary Schmooch. The Junior officers in the same order are: Myron Mleziva, Milton Mleziva, David Dvorak, Richard Trost, Francis Valenta, and Peter Samz. Our advisor is Mr. Halada.

Chapter owned equipment made available to FFA members and farmers includes: electric cow clippers, soil auger, elastrator, electric rehorner, ear notchers, ear identification tags, tree planting spades, a trailer and this year we have a new seed germinator for use.

Certified seed grain and potatoes are purchased cooperatively by the members. Also available are trees for woodlot or windbreak planting, fruit trees, ornamental shrubs, shade trees, and virus free strawberry plants.

To finance the chapter activities members sell garden seed each spring. Rat bait is also sold to farmers. The profit from the candy machine is divided with the FHA.

During the year we have many events in which the members participate. At the beginning of the year the freshmen attend the Northeastern Wisconsin Junior Livestock Show in DePere. They arrive early on the day of the judging of the livestock and tour the various barns before the judging starts. Each year the

Mishicot chapter sends a judging team to the show to judge the various classes of market animals. Members of this year's judging team were: Lyle Grimm, Robert Siehr, and Francis Shimanek. They received a "good" rating.

The regular and junior officers of the FFA attended the Officers Leadership Training School at Keil High School. The purpose of these meetings was to better acquaint the officer with the duties of his particular office.

On alternate years junior and senior FFA members have a three day educational tour to Minneapolis. The trip is sponsored jointly by the Twin Rivers Chapter, the Central Exchange and by the local chapter. The trip proves very interesting to all of the boys.

A trip to the Wisconsin State Fair is also made each year at which time the chapter nominates an outstanding farmer of the community. Paul Prinzel was chosen for this recognition this year.

The FFA and the FHA held a joint Christmas roller skating party and an outdoor barbecue which everyone enjoyed.

Another very special event of the year was Award Night and Recognition Program. The presentation of letter awards was the highlight of the evening. Each year recognition is given to the outstanding senior in agriculture. Gerald Sneberk received recognition at the awards program.

Officers of the Mishicot Jr. Dairymen's Association for 1962-63 are: President, Myron Mleziva; Vice-president, Peter Tuma; Secretary, Tom Grimm; Treasurer, Stanley Swetlik; Reporter, Robert Rezek; and Manager, Robert Shimek.

The Mishicot Jr. Dairymen's Association is an important part of the Vo-Ag program and consists of students who are carrying out a program of dairy herd improvement in their home herd. By carrying out such a program, they are able to determine the production of the individual cows in order that poor producers may be culled from their herd. Replacement stock can then be selected from dams with good production. A systematic program of feeding accord-

ing to production can be followed and close record can be kept on the breeding program.

There are 50 members in the Mishicot Association and it is affiliated with the Wisconsin Jr. Dairymen's Association and participates actively in its program of work.

Delegates were in attendance at the District convention of the Wisconsin Jr. Dairymen's Association at Omro, Wisconsin on March 19th. Delegates from the Mishicot group will also attend the State convention at Menomonie, Wisconsin on June 17, and the State Dairy Show which also will be held at Menomonie on June 18th.

# F. H. A. OFFICERS

Row 2—S. Wavrunek, S. Hoffman, M. Mleziva, A. Meyer, Mrs. Reinks  
Row 1—S. Nehring, J. Freimuth, R. Genrich, C. Troullier.

Our total membership of 105 is one of the largest in the 14 year history of the Mishicot Chapter of Future Homemakers of America, under the direction of Mrs. Ruth Rienks.

The officers for 1962-63 are President, Ramona Genrich; Vice-President, Sue Hoffman; Secretary, Charlene Troullier; Treasurer, Margie Mleziva; Historian, Susie Nehring; Reporter, Shirley Wavrunek; Parliamentarian, Judy Freimuth; Recreation Leader, Annabe Meyer.

Last June Ramona Genrich, Sue Hoffman, Susie Nehring, and Shirley Wavrunek attended the annual convention at Green Lake.

Susie Nehring sang with the State Chorus at Green Lake.

The new four-year program of work was introduced at this convention. The objectives for 1962-63

1. Contributing to the joys and satisfaction of family living.
2. Discovering myself and my worth to others.
3. Strengthening my education for future roles.
4. Launching good citizenship through home-making.

It was around these objectives that the program planning committee, Sue Hoffman and Charlene Troullier, planned the year's program.

The FHA and FFA held meetings together several times during the year. The first was the picnic in August.

The annual Christmas party that was held between the FHA and FFA was a success. The officers of

both groups served on the planning committee for this event.

A joint FHA and FFA roller skating party was planned for the year by members of the FHA.

Money is necessary to any organization to carry out its programs. We earned our money by selling popcorn at the games. Judy Augustine, Catherine Stangel, and Shirley Wavrunek were in charge of this venture. Help of several members was necessary to make the venture successful.

Corrine Augustine, Diane Straka, Susie Nehring, and Judy Bruhn were top salesmen in our magazine campaign.

The Junior girls also sponsored a candy sale at one of the basketball games.

Parties were not the only times the group met. In February the Denmark chapter, as well as our mothers, were our guests at our monthly meeting. Mrs. Gretchen Zeisner of Mirro Company predicted our future in an interesting and informative program. Diane Sturm was the general chairman. Corrine Augustine and Peggy Rhein poured at the "tea" table, serving punch and coffee to the group.

At this meeting the freshmen were initiated, and received their membership cards as Annabelle Meyer read sayings about them.

A trip was taken to Madison during the year. About 30 of the members took part. We toured the Oscar Meyer Meat Company, the Forest Products Laboratory, and the University of Wisconsin. Everyone stayed at the Belmont Hotel.

*Hi Barbara, it's been great this past year in Algebra. I've really enjoyed working with you & I'm going to get that report. I sure enjoyed it & I'm so glad I got that report. I'm going to be one of the top 3 Oriole deserving girl. I'm going to be a very good friend always, Marlene*

Freshmen — Bonnie Koch and Mary Lynn Novak;  
 Sophomores — Susie Finnel and Jean Gorzlanzyk;

In our yearly school demonstration contest, Ann Wilfert, Gail Peck, Annabelle Meyer, Margie Haese, Bonnie Koch, Marion Krause and Joy Baugniet took part in the junior division of the contest. Kay Lynn Komoroske, Joy Lynn Hassemer, Donna Stoker, and Susie Nehring demonstrated in the senior division.

Susie Nehring and Joy Lynn Hassemer represented our school in the senior division at the demonstration contest a Reedsville. Ann Wilfert represented us in the junior division.

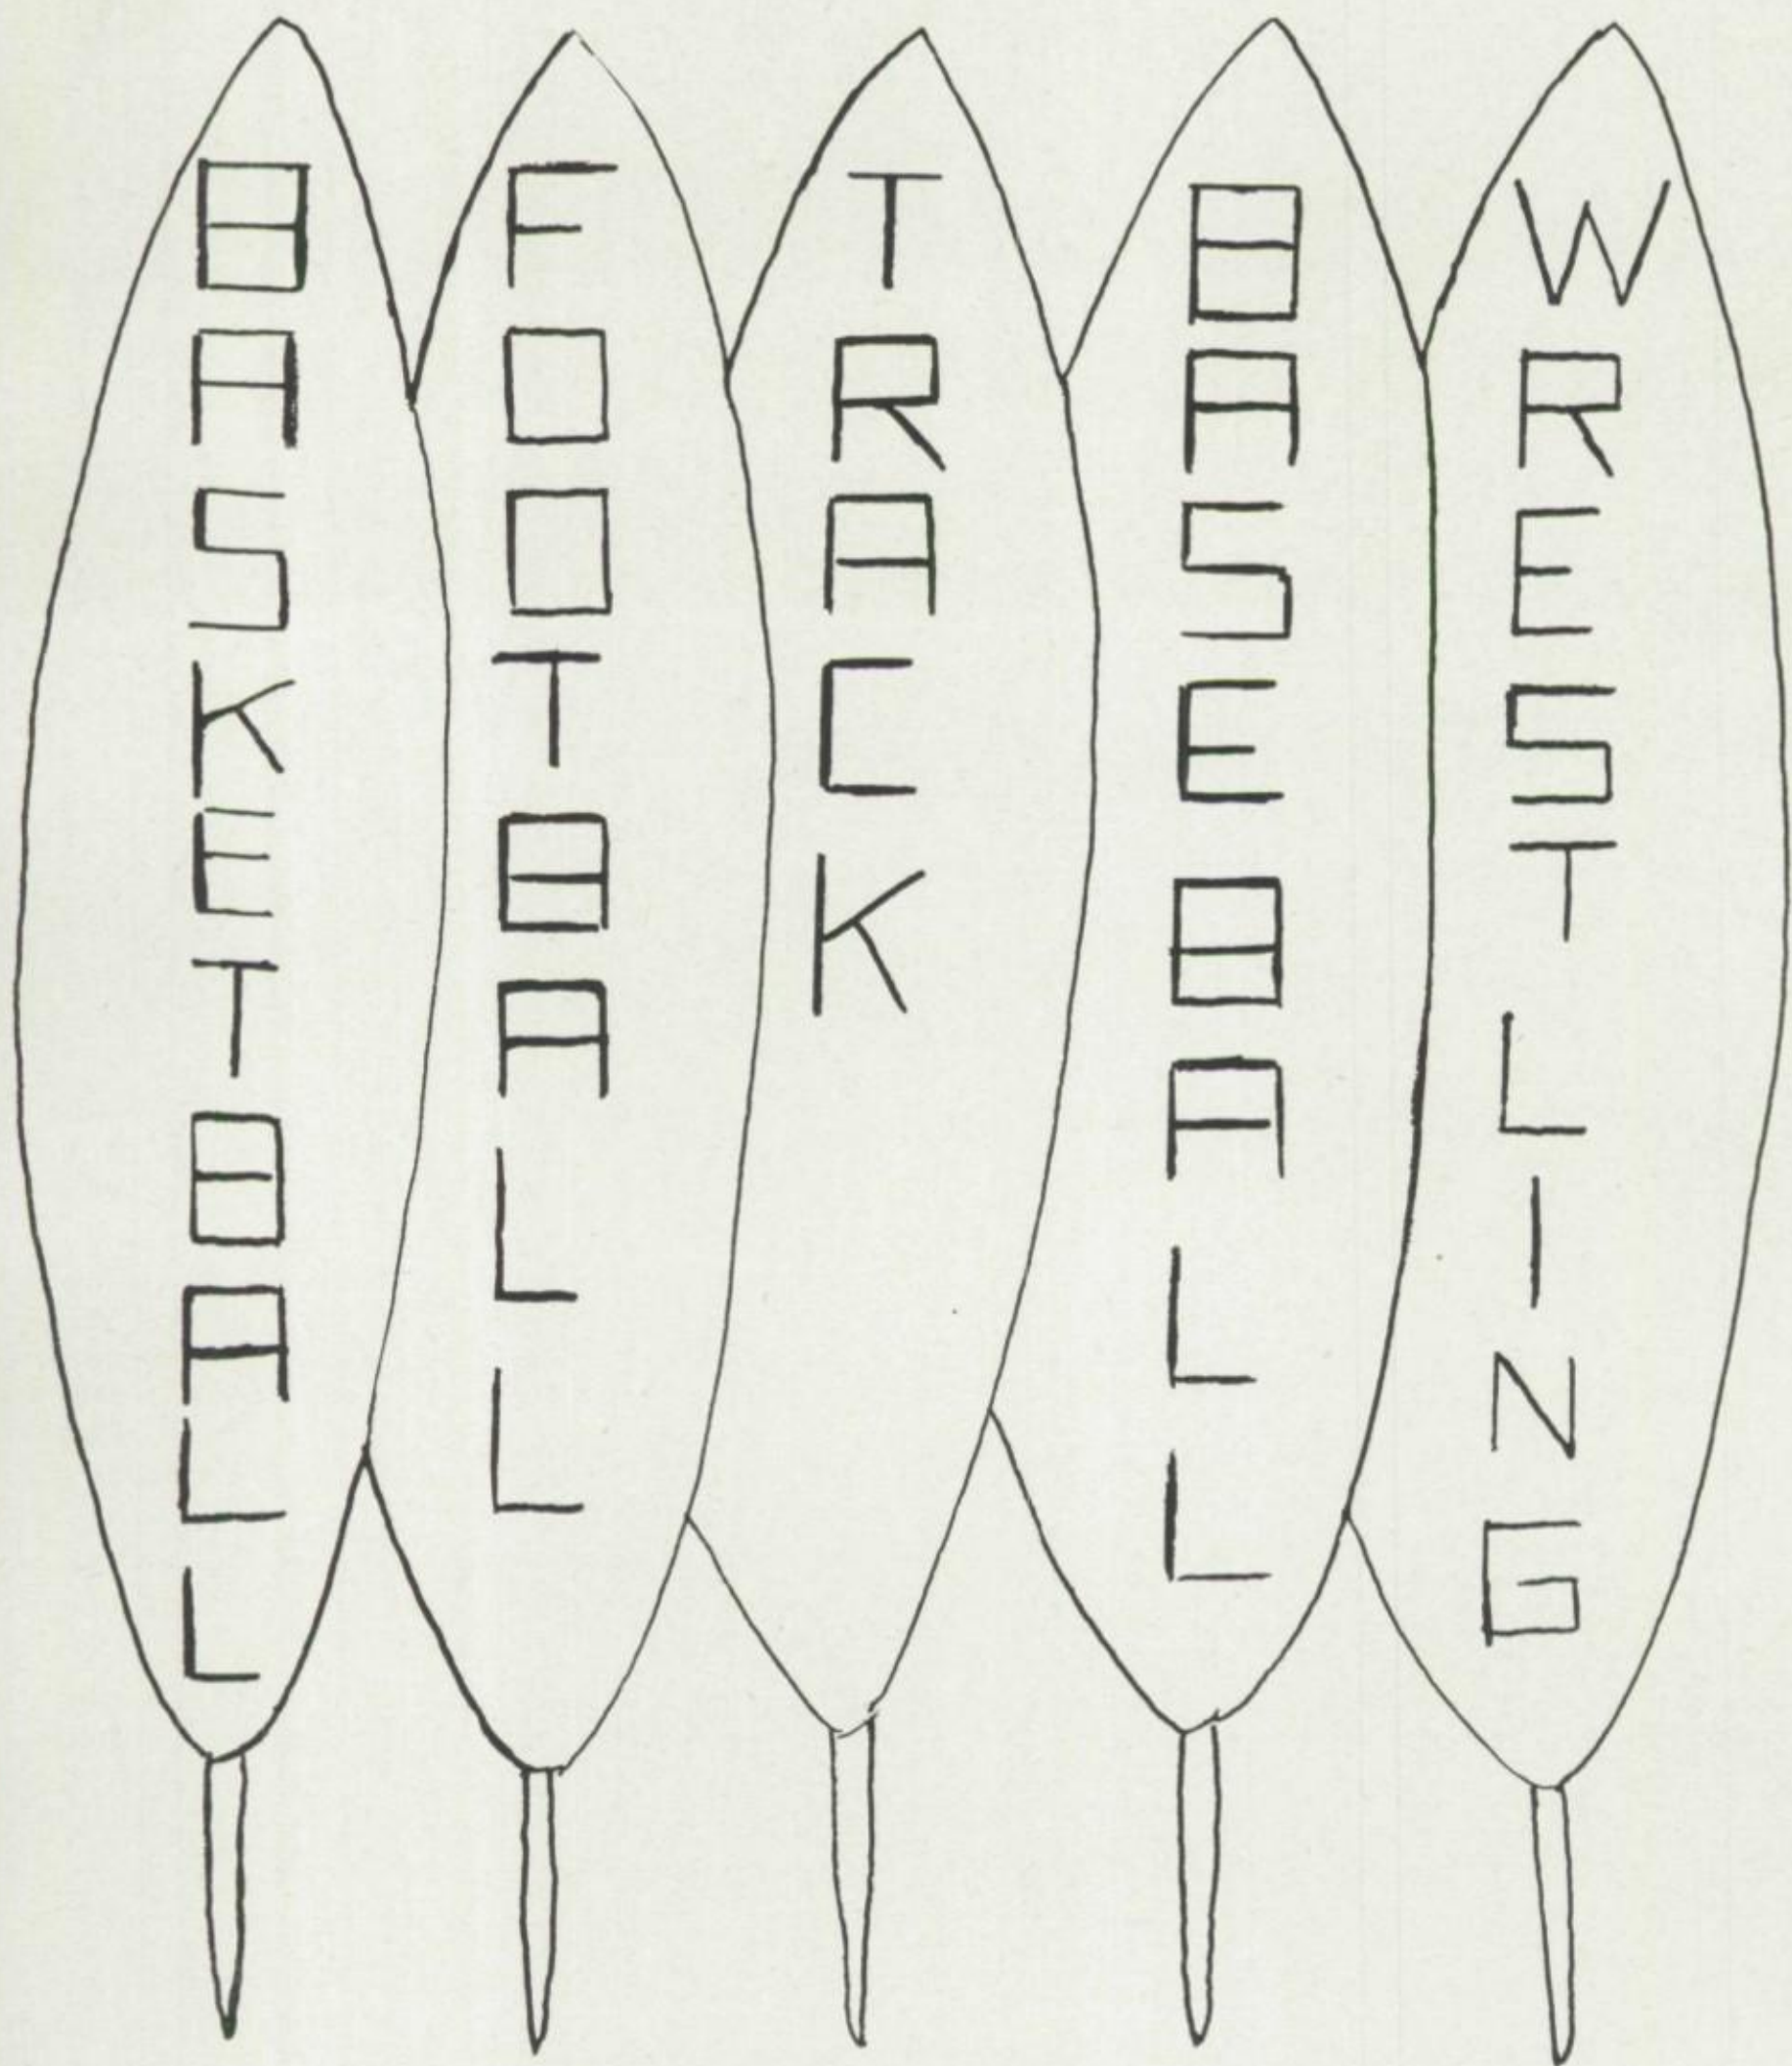

During the year Junior degrees were awarded Sue Hoffman, Ramona Genrich, Barbara Meyer, Marlene Mleziva, and Susie Nehring. Chapter degrees were given to Carol Bertrand, Marlene Mleziva, Ramona Genrich, and Sue Hoffman. Susie Nehring, Marlene Mleziva are making applications for the State Degrees.

Each year a representative is chosen from the Picot High School Senior Band to attend the Unity of Wisconsin Summer Music Clinic in Madison. Scholarships awarded to these students were based on their interest in music, progress made with instrument during the year, and playing ability. The 1962 Senior Session was held from July 1st to July 13th with classes every day of the week including Saturdays. As a member of the clinic we were a member of certain clinic bands where we were

taught music interpretation, sight reading, and also how to play individual instruments better. Other classes held were: Fundamentals of Music, Music Appreciation, and Conducting. The University's recreational facilities were used during free time.

At the end of the two weeks, concerts were performed which lead up to the Grand Finale Saturday afternoon, incorporating the 762 students who attended the session.

The 1962-63 Oriole, published by the staff members of Mishicot High School, took a new look this year. Some of the new and different feature articles included in this monthly publication were "The Shadow," Roving Reporter, "College and Careers" and a special feature story in each issue.

The Oriole has a three column page with print appearing on both sides. The newspaper is under the supervision of the Commercial Instructor, Miss Judith Gendrich.

News is reported by organization, club and special reporters. The news items, after being edited,

are given to the typists to be dummy copied. They are then proof read and arranged on pages by make-up-editors.

The paper takes a more definite pattern after make-up sheets are stenciled by the typists. The stencils are completed after the artists have added the last and important touch.

After being proof read again, the stencils mimeographed and the resulting pages are assembled and stapled together to form an issue of Oriole for students, teachers and subscribers.

Traffic — a life or death activity — in which, willing or not, we all must play. If that is the case, we must do all we possibly can to cope with the situation.

We must be properly taught; then with proper attitudes and good sound judgement we can take our place in the drivers seat to become one of the many good drivers in the state of Wisconsin.

# CLASS PROPHECY

Come one! Come all! Those were the words that echoed and re-echoed through the busy street of the large metropolis of Mishicot. I hurried along seeking more information about this big event everyone was talking about. I bumped into a young lady pushing a baby carriage and guiding some children along her side. I straightened myself out and started to apologize and to my surprise, there stood SHIRLEY FLENTJE, one of my classmates in high school ten years ago. She informed me that she had married soon after graduation and was now Mrs. LYLE GRIMM.

We talked for a few minutes and she told me that the big affair I was hearing about was the Eis & Eis Circus that was coming to town. I couldn't actually believe this, for Jim and Jane were also classmates of mine. Shirley said she had to hurry home to fix Lyle's lunch and that perhaps if I wanted to, I could get more information about the circus from BARBARA GOVE and RON KLEIN, who were managers, or from KAREN BRUCKSHEN, who was the sharp looking chick who sold tickets. On my way to Barbara's office I passed MARIAN CYWINSKI, who was busy helping her brother with a football play.

Finally after entering an executive office with three IBM machines and a large terrace where her private helicopter stood, I met Barbara.

We got ourselves situated and started talking when a pretty young blonde secretary came into the room holding a glass of water and some tablets. I had to look twice to make certain that I wasn't seeing things because there stood CAROL GORZLANCZYK. We greeted each other and then sat down to talk about other classmates. The first ones I asked about were CHERYL GADZINSKI and PHILIP HORN-YAK and if they ever returned to Manitowoc County.

STANLEY ZIMMER, who has one of the largest photography businesses, employs BARBARA MEYER as his secretary.

Looking across the street at the second Empire State Building I was informed that DARLENE SCHROEDER and KATHLEEN McMANUS were private secretaries to Ricky Nelson and Frankie Avalon.

Carol informed me that JIM DEMMIN and family were coming along very nicely in the Opera Hotel. Employed as their chauffeur was DICK "HOTROD" KORNELY who was a private in the army and went A.W.O.L. They stopped hunting for him last year.

CONNIE SCHULER is now Mrs. FRANCIS SHIMANEK. She and JEANNE SCHEUER, now Mrs. JIM SPRANG, are in the baking business together, selling the largest-holed doughnuts in the business.

I was then informed that LYNNE ST. JOHN and DIANE SCHMOOCK were in Hollywood making their latest picture, "Two Crooks and a Lady" for MGM. They had taken another classmate with them, LORRAINE STARAL, who is a stand-in for Liz Taylor.

Later, after I bid them good-by, I walked along the busy streets. I came to an exclusive art gallery with large paintings everywhere, and there on the door plate were the names JOE and TOM PEROUTKA.

Just then I heard a familiar giggle that came from a little fashion shop just around the corner. Sure enough! There stood GERALDINE WEBER waiting on customers. Next to her was a tiny freckle-faced girl, SUE HOFFMAN, and alongside of her stood MICHAEL SIEHR.

Zoom — went one of the largest semi-trucks ever to travel the streets. It came to the corner and I ran ahead to read the writing on the side, "HAROLD FUNK Sour Summer Sausage Factory." A slight smile came over my face and then I noticed the driver, a very pretty gal who knew just how to handle that truck. There sat EILEEN OLLENDORF, now Mrs. RICHARD EIS.

Finally we came to a restaurant and finished our talk

over a cup of coffee. On the bulletin board was a picture of JEROME RABITZ and under it was written, "Voted President of the Class." He was running for President of the U.S. and his main competitor was Mr. Schultz, a jolly white-haired man who was once our principal.

A little further down the street we looked into the game warden's office and there sat BILL WILFONG. He informed us that STUHR and DAVID HUTTERER were now owners of the Meineke Garage on the next corner. We went down the street, and who did we meet coming from the other direction but LARRY THIELE and JUDY WAGNER, who were returning from summer school at Whitewater College.

We began talking of former classmates and then I revealed that BENNY BONFIGT was the new Agent in Charge of the same school where CAROL BERTRAND was.

Dashing past us to catch the latest news on the paper was MARYLEE BROUCHOUD. She stopped long enough to catch her breath and to say that she had just seen CAROL CHASENSKY on television. She was now demonstrating as County Home Agent. Carol was now one of her former classmates and friend, CHARLIE MILLER, now Mrs. LEON MILLER.

A loud "waah" was heard and we turned to see NEJEDLO. He was just walking along with his two young children.

Finally we reached the circus. There was PETSKA sitting on a large, overstuffed chair. CAROL sat the tattooed man LLOYD SIEBERT. He was covered in colored pictures from head to toe. Upon entering the TOP I was led to a seat by another old classmate, ZEMAN.

As I ascended the steeps I was bumped by RASMUSSEN, balloon vendor, who at the same time a collision let all of his 720 balloons rise to the top.

As the balloons rose they knocked the Flycatcher from the tight wire. As they fell I recognized the names of NON KOHLBECK, PATSY HAVLOVITZ, TOM GUZMAN, and SIE NEMETZ.

I looked to the middle ring and there was HERMANN riding a beautiful white stallion.

Just then the ringmaster, DENNIS ZIMMER, came onto his platform and introduced HUGO WIEGAND, death defying lion-taming act. All the while the crowd was forming, the clown, RON ULLMAN, was cavorting in the arena.

Leaving the circus, I flagged down a taxi and to my astonishment was driven by BONNIE SOROKA. She told me she had received an award for being the best driver in the city. We shortly arrived at a hotel operated by LORRAINE TUSCHEL, LUCILLE FUNK, and LOU TOLLEFSON. Checking in at the desk, I found to be none other than JUDY FREIMUTH. She directed me to the elevator operated by NANCY TAYLOR. On the first floor we stopped, and I was led to my room by BAYLESS, the bell-girl, who told me that this was the room that RAMONA GENRICH had jumped from a window to escape a burglar. She informed me that the chief of police, DAVID NOVAK, had apprehended the burglar a short time before.

That evening, as I was eating supper in the "Bonnie Inn" night club, I asked him what had happened to our old classmates, TOM TUSCHL, DAVE NICHOLS, HESS, and DAVID KORNELY. He told me that they had been sent to the South Pacific, but would be turned, by some of our old class members after the war, to the class prophecy that the four had written.

I left my old town filled with pride at the achievements of my classmates.

Hi Barbara,

It sure has been nice going to school with you these past give years. We really had some good times together and we really studied and worked a lot too. You made a good majorette for the band. It sure was cold that day at Premonthe, in so. Maybe I'll see you this summer if I'm around and you're around.

Good luck always,  
Charles

Hi Barbara,  
you don't know how much I enjoyed your friendship these four years. Although we will soon be leaving I'll never forget the fun we've had in English, at our Junior prom and all through our Junior prom and all through high school. Best of luck to you in all your future undertakings

Bob

Hi Barbara,  
We have gone through

worth it. Soon I hope to

Hi Barbara,  
We sure had lots of fun  
in Algebra class this last year.  
It's too bad you can't be in Trig.  
class next year. Loads of luck and  
success to you. I'll see you around  
"Woody"

Hi Barbara,  
It was fun being in so  
many classes with you. Lots of  
luck + success in the future.  
Carol

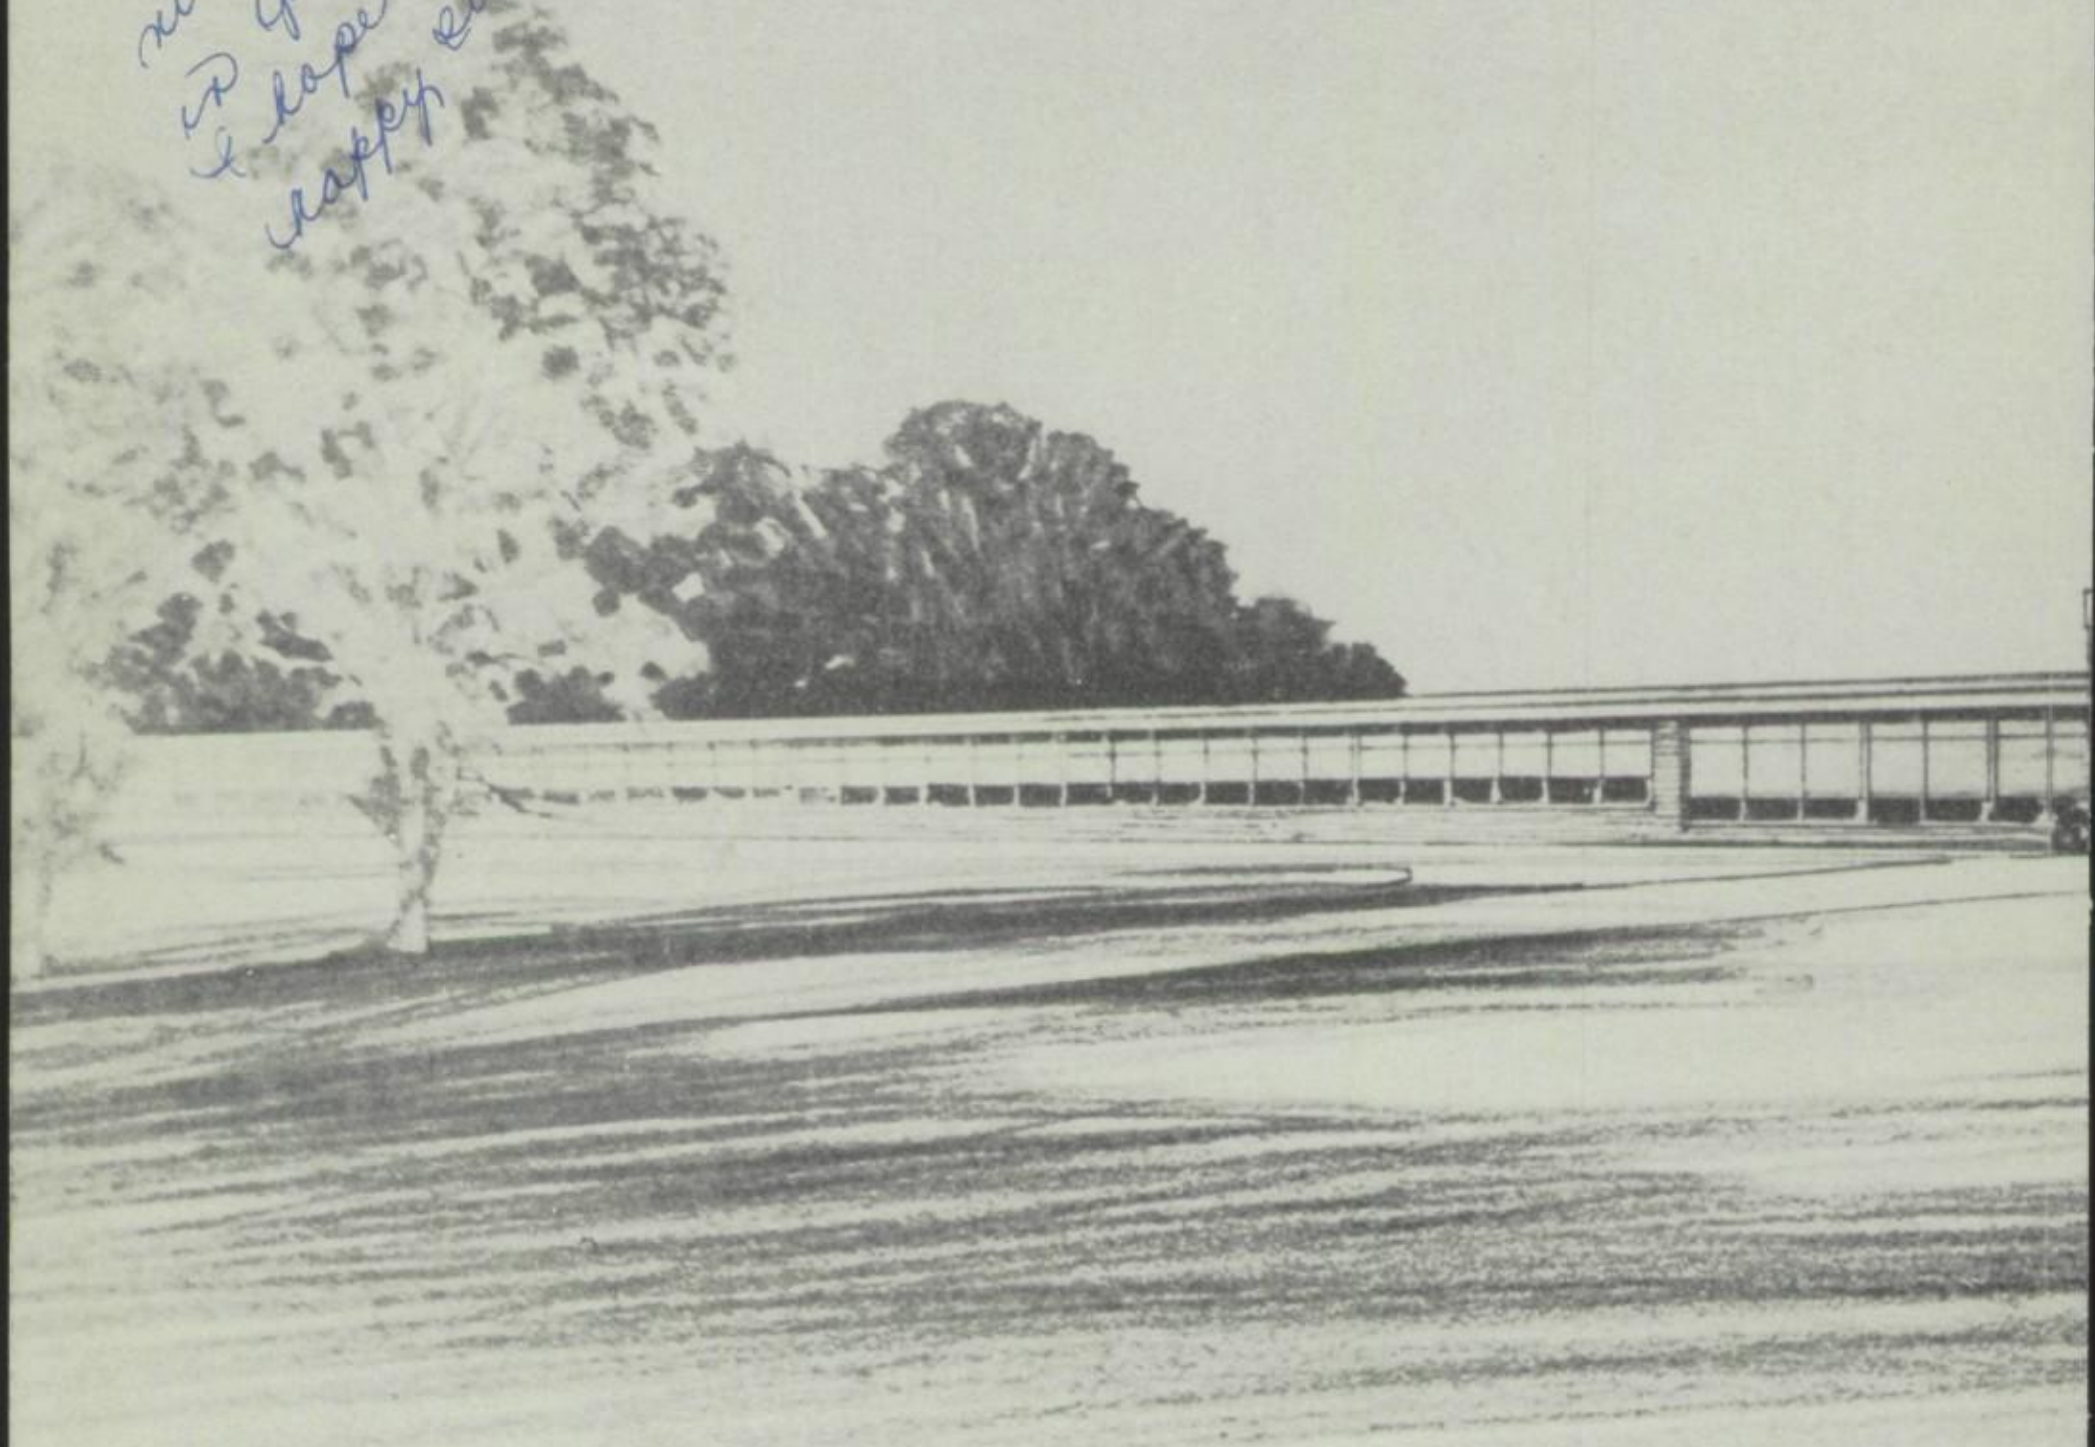

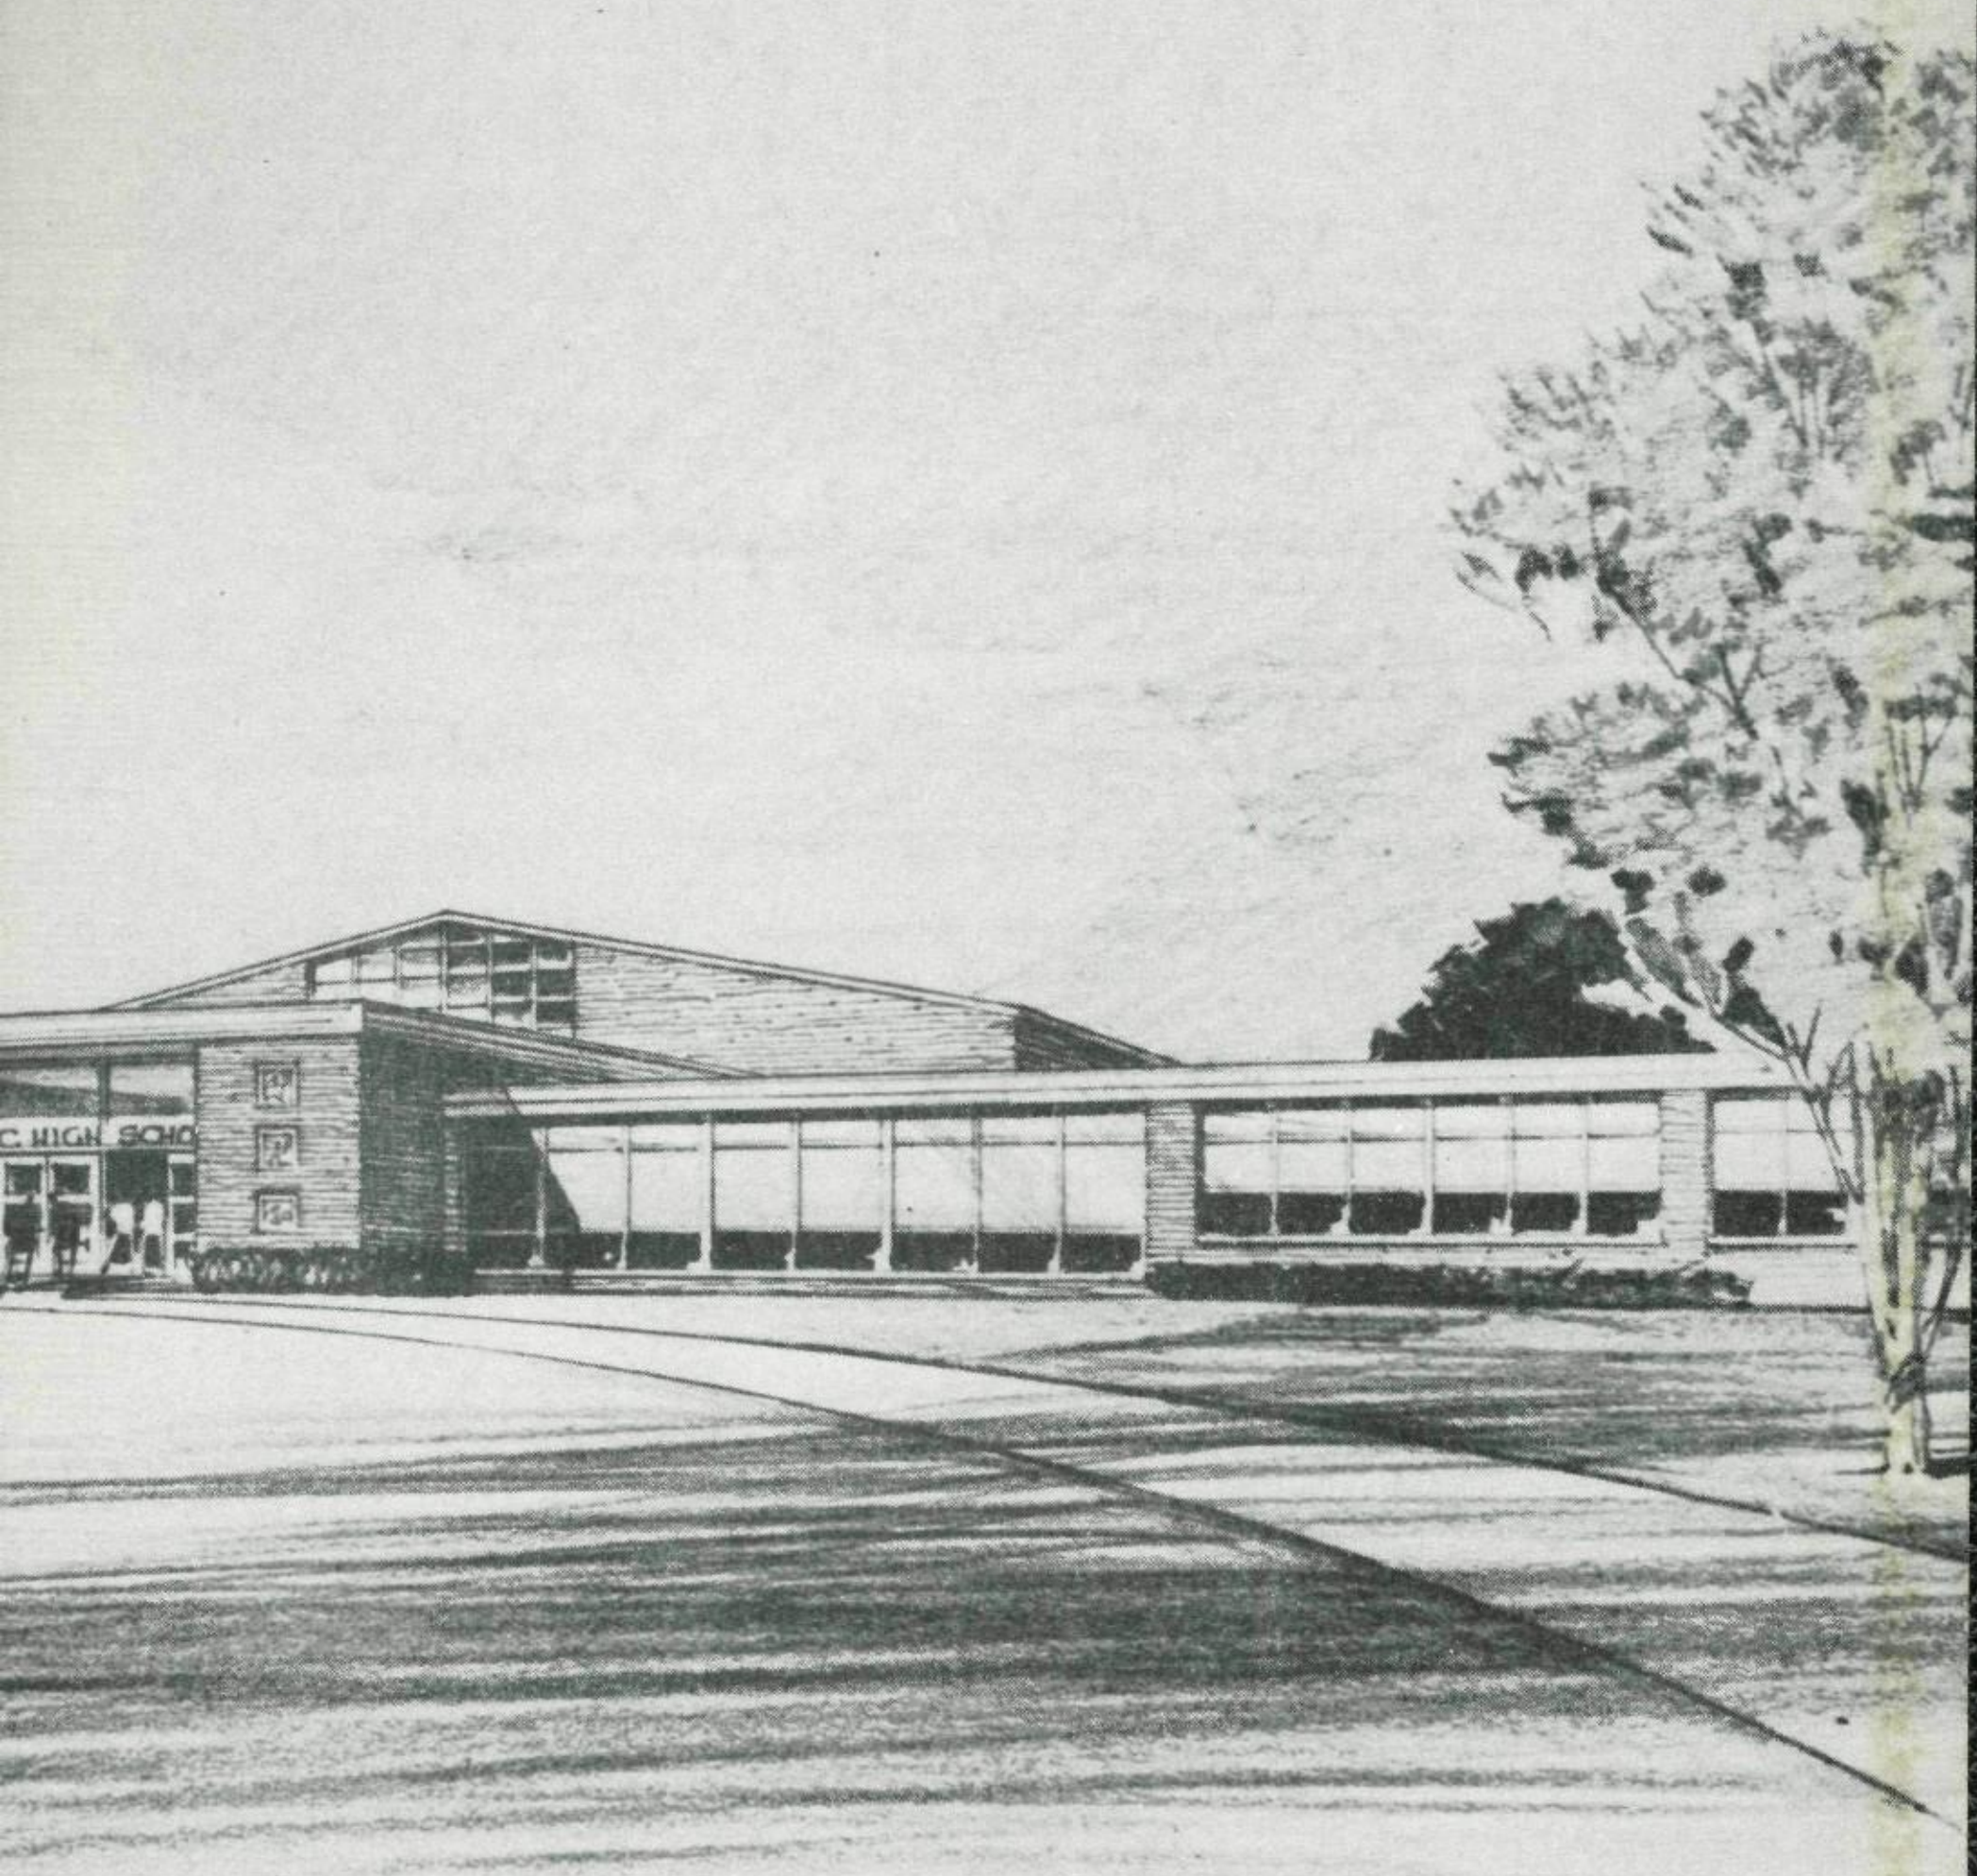

Said -  
We really  
had some good  
times at N.H.S. &  
the four years we have  
been going to school  
together. That dance at  
Branch at Christmas was really  
nice. The best of everything to you  
& your family in college and after.  
I hope you have a fun-filled and  
happy summer. Dance
